

## **Content Domain KS1**

The content domain sets out the relevant elements from the national curriculum programme of study (2014) for English at key stage 1 that are assessed in the English reading test. The tests will, over time, sample from each area of the content domain.

The key stage 1 English reading tests will focus on the comprehension elements of the national curriculum. This table shows the content domain, which sets out how elements of the curriculum will be defined for test development purposes.
