

Lammack Primary School Sports Premium 2020/21

Number of pupils and total Sports Premium Funding	
Number of children on role	490
Total amount of Sports Premium Funding	£ 20,900

Focus and Planned Impact for Sports Premium Funding
To consolidate and develop further the fitness levels of all children.
To develop a competitive ethos towards sport throughout the school.
To promote a healthy lifestyle throughout school.

	Spending 2020/21	Cost
Action	SLA competitions agreement	£950
Impact	Children across both KS1 and KS2 are provided with the opportunity to participate in festivals and competitions throughout the year, linking with the extra-curricular activities they participate in. Due to the Covid-19 pandemic we have been unable to participate in competitions this year.	
Action	Extra Swimming	£4000
Impact	Due to children needing to remain in bubbles, we have paid for extra swimming sessions to allow each of our three classes to go separately. This has meant that less children have attended in each group and therefore each child gets more time in the pool to develop their skills.	
Action	Primary Dance Online	£100
Impact	Children were able to complete PE lessons online during school closures in Spring Term.	
Action	Various equipment replacement and upgrade	£500
Impact	We have increased the amount and variety of equipment available for PE lessons, which improves the quality of teaching in PE and gives teachers more opportunities to increase the amount of time a child spends learning with equipment individually rather than sharing. We also bought extra equipment to allow children to participate in Sports Days within class bubbles.	
Action	Staff CPD/Courses	£120
Impact	We sent on of our PE Subject Leaders onto a Lancashire training course about PE subject leadership. The course provided them with up to date information on how to provide high quality PE using the Lancashire schemes of work. All the information from the training has been passed onto staff in a staff meeting. This will ensure that the subject of PE is lead well and delivery of PE is of a high standard throughout school.	
Action	PE Passport	£400
Impact	We have invested in the Lancashire PE Passport App. Using this app as a school we will be able to ensure all lessons are of high quality, pupils are making progress and ones who aren't can be targeted, all lessons are adapted to the needs of our pupils, the subject leader and SLT can monitor the subject and provide support where needed. It will also support with organising and tracking our school sports.	
Action	Playtime Equipment	£1400
Impact	Children now have more equipment to use in both KS1 and KS2 at break times, increasing opportunities for developing skills away from guided lessons.	

Action	Sports Day certificates and medals	£120
Impact	Children now have more equipment to use in both KS1 and KS2 at break times, increasing opportunities for developing skills away from guided lessons.	
Action	Bike Servicing	£380
Impact	We have a number of bikes that we use during pupils bike ability sessions. The bikes needed servicing. The use of these bikes ensure that our pupils have the opportunity of learning how to ride a bike.	
Action	Outdoor equipment and groundwork	£12.930 (Plus £5,010 from previous years unspent budget)
Impact	We have ordered more outdoor climbing equipment and outdoor gym equipment for the children to use during break and lunch times. After completing a questionnaire with the children we are confident this will increase the number of children being active during break times and improve their health and fitness.
