

Lammack Primary School

Lammack Values

We believe Lammack Primary School is a school for all. We are committed to serving the local community and surrounding areas. We recognise the multi-cultural, multi faith nature of the United Kingdom and understand the important role our school plays in promoting those values. This statement outlines how our work on Lammack Values underpins our Curriculum and encourages our children to celebrate diversity and work towards cohesion.

During the Summer Term 2015 all children took part in the democratic process of voting for the Lammack Values. All children visited one of our two polling stations and submitted their vote for one of ten possible values. Once the votes were collected and counted the most popular 6 values became the new Lammack Values for the coming school year.

The children voted for

- **Charity**
- **Teamwork**
- **Equality**
- **Honesty**
- **Respect**
- **Learning**

Throughout the year the focus each half term is built around one of the values but all of the Values are referred to throughout the year.

Charity - Autumn 1

During Autumn Term 1 the focus was charity and so each class chose the charity they would support for the coming year. As we raised over £5600 last year we celebrated our good work by having a 'Superhero Day' with children and staff dressing up as superheroes for the day. This also kick started each class' collection for their charity as the children donated a small amount of money to be able to dress up in their costume.

The children will continue rising money for their class charity throughout the year.

As a school we also support Blackburn Foodbank throughout the year.

Teamwork – Autumn 2

Autumn 2 started out work on Teamwork. The new value was launched with an assembly in both Key Stages by the Assistant Headteachers. All classes had an afternoon focussed on Teamwork during the first week of the half term. As part of the Teamwork focus the 'team' of Head and Deputy Boys and Girls created the Remembrance Day events. They designed the assembly including poems written by themselves and a balloon release involving children from every class.

The children enjoyed working as a team to plan, prepare and deliver the events. The day also highlighted to the rest of the school who the Head and Deputy Boys and Girls are. Parents responded well to the focus of the day and asked for copies of the poems to be sent home on the newsletter.

The 'Team' are now busy organising the Key Stage 2 Christmas Quiz which has traditionally been organised by the Assistant Head in KS2 but this year they are creating the ideas and questions.

As the year continues it is hoped that the Values will lead to other events and celebrations across the whole school.

The PSHE curriculum is based on the Lammack Values also. Each class has a scrapbook to collect evidence around the values and three progressive objectives to cover in each year group.

Lammack Primary School strongly believes in promoting diversity and celebrating differences and similarities. Events of all religions are celebrated through assemblies and RE lessons. Children are encouraged to respect other faiths and share their beliefs and understanding with one another.

Lammack Primary School

British Values

Democracy

The children at Lammack are involved in the democratic process of voting for Council Reps, ECO Councillors, Digital Leaders, LEA Reps and for the Lammack Values.

The School Council is now the United Nations with classes representing different countries. The first UN Day took place on December 1st where children learnt about their countries and traditions.

Mutual Respect

Respect is one of the Lammack Values which the children voted for. Respect is part of our Golden Rules and a general expectation for all members of our school community.

Our PSHE curriculum includes work on Respect.

The Rule Of Law

We have good relationships with the Local PCSOs, who visit school to talk about Law with Year 6.

The Year 6 children participate in Streetwise each year where they learn about Rules and Citizenship.

The Golden Rules are followed throughout school and children who do not follow the rules lose some Golden Time. During the loss of Golden Time children are given the chance to discuss what they did, why they did and how this affects their (or others') education.

Individual Liberty

Children have key roles and responsibilities throughout school. In Key Stage 2 children are Play Leaders, Mini Coaches, Prefects, Head Boy/Girls, Deputy Boys/Girls and also given roles and responsibilities within their classes. In both key stages children are part of the United Nations, Lammack Education Association and Eco Warriors.

Through our Golden Time Behaviour Strategy children are given a warning and enabled to make a choice before they lose their Golden Time. The children are encouraged to make choices about their behaviour and responsibilities around school.

Through the play leaders and mini coaches the children are encouraged to work together and play together.

Tolerance of those of other beliefs and faiths

Our RE curriculum focuses on all religions including Christianity and Islam. We have visitors from Mosques and Lammack Methodist Church to talk to the children about special events and occasions.

Staff have visited a local Mosque to gain an understanding for the faith and beliefs of the children they teach.

Children celebrate Eid, Christmas and Easter etc together and respect other Religious occasions.

Celebrations from all religions are included in assemblies throughout the year.
